AlertNow Form

***If no changes, please fill in family name and mark “No changes”**

Keeping you informed is a top priority at Sacred Heart School. We have adopted AlertNow to notify you of school delays and cancellations due to inclement weather, as well as to remind you of various events. What you need to know about receiving calls sent through AlertNow:

***Caller Id may display the schools main number, a 411 number or another unfamiliar number**

***AlertNow will leave a message on any answering machine or voicemail**

***If the AlertNow message stops playing, press any key 1-9 and the message will replay**

The successful delivery of the information is dependent on accurate information for each student. Please make certain we have the most recent phone numbers and if you phone number changes, please notify the school. Thank you.
