

Our Model:

Falls City Sacred Heart School K-12 Tuition and Fees for 2018-2019

1. Tuition and Fees:

Tuition in 2018-19 is \$1,350 and covers about 20% of the \$7,000 actual cost of education per child.

Fees are \$200/child for K-8 and \$250/child for 9-12. Fees are 2.5% to 3.5% of the actual cost of education.

If you are able, would you consider paying the actual cost of education?

Did you know?

The actual cost of a Sacred Heart education is approximately \$40/day.

Your tuition bill covers \$9/day.

The Value? Priceless!

The Guardian Angel Tuition Assistance Fund

Generous benefactors support a Sacred Heart education by donating to this fund which helps families in need of tuition assistance. Last year over \$7,000 in Guardian Angel Tuition Assistance was distributed.

All families in need are eligible to apply.

Application forms are available in the school office or on our school website.

2. Parish Stewardship and Tithing:

Our five Catholic parishes provide over \$1,750/child/year. If you are Catholic we ask that you tithe to your parish, as this is the only way these parishes can sustain their gift of over \$400,000/year for your child's education. For those who may not be Catholic we ask that you give a gift over and above tuition and fees to supplement the actual cost of education.

Did you know?

More support for the education of your child comes from the Catholic parishes in Richardson County than from any other single source...this is why it is critical to receive your stewardship for your parish in order to make our model successful.

3. Fundraising and 4. Benefactor Support:

Opportunities abound for all to support the work of educating your children. The shortfall in revenue from other sources is made up by this category. This amount is approximately \$3,000/child.

Have you done your part?

Did you know?

Fundraising and benefactor support make up a majority of the shortfall at our school.

5. Endowment:

Our endowment provides \$700/child/year.

The balance of the Sacred Heart Endowment Fund is 3.2 million dollars. The fund provides \$12,000/month of investment income to support your child's education.

Do you know of someone who can help us grow our endowment and assist us in educating young people into the future?

Our Mission:

A Family educating Heart,
Mind, Body and Spirit
for this life and the next.

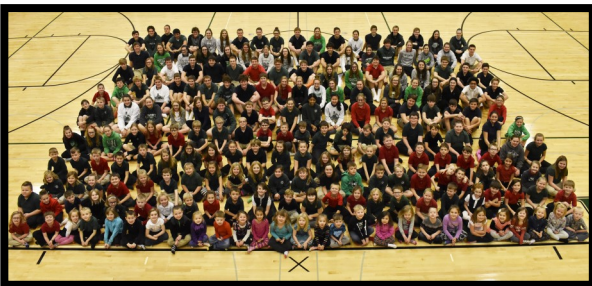

We receive from our Lord the mission,
impetus and direction for our
efforts...efforts that focus on your
child or children.

***“Go out to all the world and
tell the Good News...Teaching
them....”***

***— Jesus Christ in his Great
Commission in Mt. 28***

We seek to form the whole child for
success in this life and to form and
guide them for their journey to
eternity.

We are Sacred Heart!

Our Method:

Sacrificial giving and
volunteerism produces
excellence in imitation of Our
Lord Jesus Christ who poured
out everything for love of us.

Generous teachers, staff, families, benefac-
tors, alumni and students seek to model the
Gospel values in the classroom, school and
in the community.

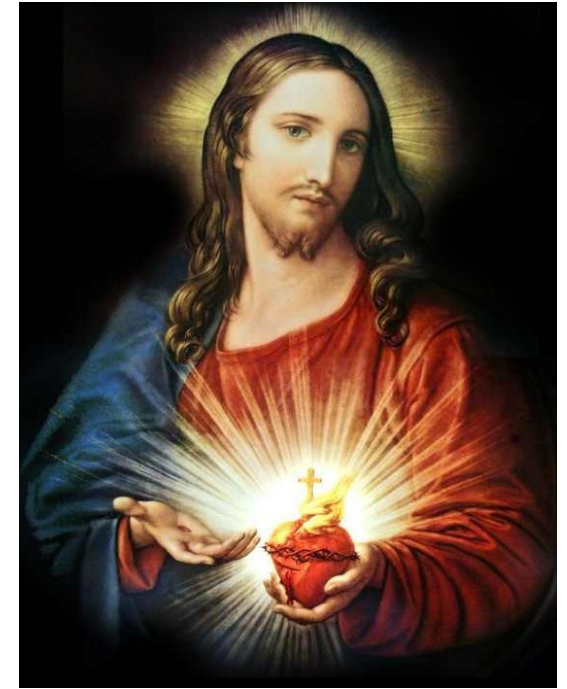

Through imitation of the Heart of Christ we
invite each other to grow in love of God
and neighbor.
