

SACRED HEART DAYCARE AND LEARNING CENTER

APRIL NEWSLETTER

St. Patrick's Day Week: We learned about the color green and talked about Saint Patrick. The leprechauns came and did silly stuff which made us all giggle.

Spring Week: At the end of March, groups talked spring. Some of the groups played duck, duck, goose, painted rainbows, sorted bugs, and other springtime critters by color. The preschool group made birdhouses and hung them with Kelsey. Another group bubble painted on t-shirts that had their name on them. They also played sensory flower

Wheels and Wings- Transportation Week:

One group made paper airplanes and straw rockets and flew them through hula hoops. They sorted transportation for boating vs. non-boating and tested out whether they float. Another group wrote with marker cars. On Friday, they toured a school bus and listened to John Bangert talk about driving a bus. The kids had fun singing "The Wheels on the Bus."

Baby Room News: We are loving the days when we can outside! We were able to play with bubbles one day and the kids really enjoyed that. Their personalities are really developing and it's exciting to see their friendships

Thank you Kayla: Kayla's last day will be April 12th. She is moving to Lincoln to go to esthetician school. She wants to thank all of the parents for letting her be part of the children's lives. We appreciate all that she did for the daycare and hope she stops by to visit everyone once and awhile.

FROM THE DIRECTOR: I appreciate our wonderful staff and the time they put into their weekly lessons. The smiles on the kids' faces is very rewarding. The kids are enjoying the time outdoors, also! If you know anyone looking for childcare, please send them our way. Our baby room is full, but we have room for over 18 months. If I can be of any assistance, please talk with me! I hope your family has a blessed Easter! The daycare will not close any days before or after Easter. Our next day that we are closed is Memorial Day.
