

Falls City Sacred Heart Collection Programs

Welcome to the Sacred Heart family! We would like to introduce you to the various fundraising collection programs that our school participates in. To make these programs successful, we encourage full participation from all parents and extended families. Make it fun for your child and explain that they are helping their school out. We have volunteers that go through each and every label, receipt, and boxtop, so please help them out by checking the expiration dates and trimming the labels. Thank you for helping Sacred Heart through these fundraising opportunities. **About \$100 in tuition costs were saved for each child through these programs. Please participate!**

Collection boxes are located outside the school office. Your child may also hand the collection items into their teacher.
