Report of Visual Evaluation

School Name (if desired) _____

Effective with the 2006-07 school year, Nebraska State Statute 79-214 requires students entering kindergarten (or first grade, if not enrolled in kindergarten) to provide evidence of visual evaluation within six months prior to entry. This requirement also applies to out-of-state transfers to any grade. The vision evaluation may be performed by a physician, physician assistant, advanced practice nurse practitioner, or vision professional (optometrist or ophthalmologist). Students are exempt from this requirement when the parent/guardian provides a written statement of objection. For more information about the vision evaluation requirement, including the availability of resources for low-income families, please contact the school.
