### From the Director;

These past few weeks have been a whirlwind! I am so excited to be the new Director and working with such amazing families and their children. Father Stoley, the staff and I have been working hard on making sure that your children are safe and our environment is clean to protect us all from the COVID-19. Please be patient during drop off and pick up, the protocol is important for all of our safety. If you have any questions please do not hesitate to ask. I will keep you updated! Thanks! Every Friday we are having a religion lesson with Mrs. Katie and Fr. Stoley is coming over at 9:15am on Tues and Thurs to read us a bible story and have prayer time. Kids are getting back into the routine of things and seem to be adjusting well. Have a great month of June! Kendi

HAPPY  
FATHER'S  
DAY!

This past month we had so much fun! We learned about ponds, and frogs and ducks. We did experiments with water and made ice crystals for the theme of Disney and the movie Frozen. We made special snacks such as frogs in the pond and fish in the lake! We did worksheets and worked in stations where we learned about math, science, art and music. The highlight of the month by far was getting to learn about the WORMS! The kids loved touching and holding and talking about them.
