COVID-RELATED INFORMATION— [CLICK HERE FOR GAME PROTOCOLS](#)

Parents and all outside visitors: when entering the south doors of the building please follow the directions stated at the station. Please ring the doorbell and sanitize your hands. Someone from the office will then greet you and check your temperature. You must be masked. We are limiting visitors except those who have made an appointment. Thanks.

- **CONCESSION STAND WORKERS:** With COVID restrictions, just a reminder that you will need to wear a mask while working. We also cannot have children working in the concessions. Elementary children must sit with an adult, so please make arrangements. We understand this is a sacrifice and appreciate your time more than ever this year!
- **COVID Protocols for Sacred Heart Home Games** can be found on the SH website and will be emailed to all those who receive the morning bulletin. Please know that these may change as the season continues. Our goal is to make this an enjoyable experience for our student-athletes and keep all those entering the facility safe.
- **SH Home Game protocol reminders:** Masks are required for all spectators. Elementary students must sit with their parents at all times or should not attend games. The SH Student Section is to be masked at all times.

BOOSTER CLUB NOTES:

BOOSTER MEMBERSHIP: The Sacred Heart Booster Club is selling **Family Booster Club Memberships** for this school year. This is a big fundraiser for Sacred Heart School. We would like all Sacred Heart families along with all our other supporters to please join the booster club. Family Memberships sell for \$25, \$50, \$100. **You can also join as a \$250 Coaches Corner Member which also gets your immediate family into all SH home games.** Your contribution helps our school fund all the extra-curricular activities in our school – music, speech, sports and many other things. It helps pay for our buses and their upkeep that are used for activities and field trips. The Booster Club funds many things that benefits all our students. You can send a check to school or send it with your son/daughter marked Booster Membership. Or contact Mr. Goltz and he will make arrangements with you so you can join. **This year due to COVID-19, supporting our Booster Club will be huge help to our school financially. Please consider joining if you have not in the past. And please rejoin if you have previously been a member.**

VOLUNTEERS NEEDED: We need volunteers to help at our home games again this year. We need gate and concession workers. We really appreciate all of you who volunteer. Most schools pay their workers but this saves our school money by doing these jobs (line judges, concession stand, gate, score-table, etc.) with volunteers.

As a reminder, we ask that all parents who have a child in k-8th serve one time per child in the concession stand. We chose to have you pick your date so it better fits your schedule. Please click below to sign up! Thank you to everyone who has already volunteered! <https://www.signupgenius.com/go/60B094DAAAC2AA4FB6-20202021>

SCRIP: Our Scrip program is currently running in “Covid-mode”. Cards will not be available in the school office until further notice.
