April, 2022

Sixpence will have some openings coming up as we transition some of our current children into preschool. Please share this information with others that may be expecting or have a child 18 months & under. They can message us on our Facebook page (Six Pence), call our office 402-245-3276, or stop by our office 1707 Stone St. Falls City!

We are so excited to share a fun-filled week celebrating young children and their families. The week was full of hands-on, collaborative activities encouraging movement and healthy lifestyles through music, food, working together, art, and family day. We also shared information about child abuse and neglect with each family.

Music Monday - Making Egg Shaker Maracas

Tasty Tuesday - Eating Donuts on a string

Or sneaking donuts. LOL

Work Together Wednesday - Building blocks, hitting balloons with pool noodles and playing together.

Artsy Thursday/Visit from the Easter Bunny

Family Friday - Recap of the week, each family received a back pack or basket filled with: Books, crayons, playdoh, ABC-playdoh mats, scavenger hunt cards & glue sticks.

Mrs. Nolte's Early Childhood Class visited Sixpence April 13.

Pinwheel gardens represent our effort to focus on community activities that support families and public policies that prioritize prevention right from the start. To make sure child abuse and neglect never occur. Pinwheels are used to help educate communities about the importance of supporting children and families. Shining in the sun, the pinwheel is reflective of the bright future all children deserve and our belief that getting it right early is less costly than trying to fix it later.
